FRECKLES ASKS BOYS TO SHOW

Republican Newsie, With
Nickname Like That of
Play, Will Act as Host
at Theater Party Tues-
day Evening

A newsboy wouldn't be natural if
he didn't rouse up more or less upon
the announcement that "Freckles" is
coming. The selling force of a news-
paper wouldn't be complete unless
there was at least one "Freckles"
identified with its personnel. And
that just where The Republican man-
aged to place itself in line to co-op-
erate with Manager A. H. Reeves of
the Elks theatre and Manager W. R.
Stoermer of the "Freckles" company,
appearing at the Elks theatre, next
Tuesday evening, in giving the news-
boys a real treat in the way of free
admission to the charming dramatiza-
tion of the "Gone With the Wind" story
of the same name.

When Manager Stoermer was in
Phoenix a day or two ago he mani-
fested more than passing interest in
the force of carriers and "newsies,"
but it was not until Wiley Wootton
appeared that the idea occurred to
do anything in their behalf. Now,
Wiley is nothing if not freckled. His
best friends forget his christian name
and refer to him as "Freckles." Like
Freckles in the story and like Julius
Velle, who plays the part, there isn't
much about selling and delivering
papers that Wiley, or "Freckles,"
Wootton doesn't know.

"Tell you what I'll do," said Man-
ager Stoermer, "I'll just let The Re-
publican Freckles give his newsboy
friends a genuine Freckles party on
next Tuesday evening. All that will
be required will be that none but
bona fide newsies of The Republican
are numbered among those The Re-
publican Freckles invites. They can
have the entire gallery of the Elks
all to themselves and they can just
have the time of their lives and en-
joy the play, which abounds in those
things which interest the younger as
well as the older people."

Who that has read the pretty story
of the "Lumberlost" country but will
agree that a most effective play
should result from a dramatization of
the book. And it is a play that will
please the newsies. It is not often
that a high-class play of the order of
"Freckles" is thrown open to the boys
who probably wouldn't be able to get
in through any other means. It is to
the credit of the big hearted Manager
Stoermer that The Republican is able
to back up Freckles Wootton in mak-
ing of him the host of a party which
will live long in the memories of the
newsboys of this paper.

HAYDEN

HAYDEN, Feb. 15.—The passenger
traffic from Hayden to Phoenix has
been swelled considerably during the
last few days through a number of
our citizens going down to attend
the Aztec Sun Fete.

State Mine Inspector G. H. Bolin
of Bisbee visited the mines at Ray
this week and came over to Hayden
Thursday morning with Manager
Cates in M. Cates' new auto.

W. W. Duncan formerly manager of
the San Pedro store of the Hayden
Supply company, was recently called
to Globe to serve as a juror in the
superior court and while there re-
ceived an appointment to the position
of deputy assessor to assist W.
G. Duncan, his father. Mr. Duncan
has therefore resigned his position
with the Supply company and has
been succeeded by Bert Harmon.

Manager L. J. Kuentzel of the
Western Union here has arranged to
be transferred to some other post
but has not yet been advised just
where he will locate. Mr. Kuentzel's
successor is none other than
James K. Polk and has already ar-
rived to take over the affairs of the
telegraph company.

Ed. McQuaid, a sufferer from the
white plague, formerly a resident of
Hayden was found dead in his room
in Winkelman a few night ago hav-
ing passed to the great beyond while
he slept.

Messrs. John Orr and C. A. Hahn
have organized a dancing club here
and will give occasional dances at
the Hayden hotel. This should add
greatly to the life of the camp as
there is nothing more enlivening
than an occasional function of this
nature.

Mrs. Truman Phillips gave a linen
and kitchen shower this week in
honor of Mrs. M. L. Lester. It will
be remembered that the Leshers lost
all their household effects a few
days ago when their residence was
destroyed by fire. The "shower"
was a lively affair and many useful
and ornamental articles were pre-
sented to the honor guest.

Gus H. Hirschfeld of the Standard
Mercantile company is in Phoenix for
a few days.

Fred Weaver of Colton, California,
is visiting his brother Walter Weaver
agent for the railroad here. He is a
constant in the city of Colton.

Chester McGee and Joe Kerriek
deputies from Ray were in Hayden
and vicinity this week endeavoring to
locate a Mexican named Escalante
who is wanted on the charges of
killing one of his fellow countrymen
in the mining town a few days ago.

A petition is being passed among
the voters of this district looking to
an arrangement by which this part
of Gila county will be ceded over to
Pinal. If this deal is consummated it
will add greatly to the convenience
of the citizens of this locality in
reaching their county seat.

A few days ago an unusual case
of shop-lifting was recorded in the
San Pedro store of the Hayden Sup-
ply company. While Manager Har-
mon was busy with a customer a

Benefited Many Who Had Lung Trouble

Those who suffer from Consumption
are generally troubled with night
sweats, fever, loss of strength and lit-
tle or no appetite. Fresh air, good food
and the proper care of the body are es-
sential to a recovery, but in many
cases something more is needed. Eck-
man's Alternative is a medicine which
has been most successful in stopping
night sweats, reducing fever and pro-
moting appetite and many who have
used it, declare it saved their lives. In-
vestigate what it did in this case:

"Gentlemen: For four years I was
troubled with cough, which gradually
became worse. I had night sweats
and pains in my chest. I was losing
my appetite and had become so thin
and weak I could not attend to my
household duties. A physician pro-
nounced my case Consumption. Not
being satisfied, I was examined by two
physicians of the Polyclinic Hospital.
They also pronounced the disease Con-
sumption, which was proven later by
an examination of sputum, as Tubercu-
losis Bacilli were found. I was ordered
to a Consumptive Hospital. My nephew
would not allow me to go until I had
tried Eckman's Alternative. Before I
had taken the medicine three weeks, I
had marked relief, night sweats ceased,
pain in the breast relieved, cough be-
came loose and easy, fever left me and
I commenced getting well. My health
became normal. I am in excellent health
now and have been completely cured for
ten years. I strongly recommend it."

(MRS.) MARY WASSON.
Care Ed. Green, 1722 S. 17th St., Phila.,
Pa.

Eckman's Alternative is effective in
Bronchitis, Asthma, Hay Fever, Throat
and Lung Troubles and in upbuilding
the system. Does not contain poisons,
opiates or habit-forming drugs. For
sale by Bochner's Drug store. Ask
for booklet telling of recoveries and
write to Eckman Laboratory, Philadel-
phia, Pa., for additional evidence.

Mexican entered and believing him-
self unobserved began to fill his
pockets with various small articles
of food such as would go toward the
making of a square meal. After he
had taken three eggs, three sweet
potatoes and a few other small things
he walked out but Mr. Harmon was
on the alert and, pistol in hand, ap-
prehended the "lifter" as he was go-
ing around the corner of the building
and by way of punishment forced
him to eat the three eggs raw from the
shell, notwithstanding the fact that
one of them was bad. This done
Mr. Harmon thought his man suf-
ficiently punished and released him
without calling an officer of the law
as was his first intention.

A number of ball players will leave
for Porto Rico soon, where they will
play a series of games before the reg-
ular season opens.

Spinal Deformity Can Be Cor- rected. I Have Proven It.

I would like to hear from
every reader of this paper af-
flicted with spinal deformity of
